PARKING

Parking anywhere on campus is by permit only, in clearly designated areas. The Cañada College campus consists of all parking lots and access roads between Farm Hill Blvd. and Cañada Road. Parking is free Friday nights, Saturday and Sunday.

Student parking permits are available for \$30 per semester and \$20 for the Summer Session and may be purchased during registration or from the Business Office, Building 8, Room 305 during the day, or from the Enrollment Services Office during the evening. Parking permits must be affixed to the rear, left bumper or the lower left corner of the rear window. A second permit may be purchased for \$1 on presentation of current registration certificates from both vehicles showing ownership by the same person.

Students attending class only one day or evening per week may purchase a daily permit each time they come on campus. These permits are available from vending machines for \$1.00 and allow parking in student lots only. Daily permits are to be placed on the left hand side of the dashboard clearly visible to the security officer.

Visitor Parking Lot 4 is limited to one-hour parking only, except in spaces designated for disabled persons. Visitors on official business may request

a temporary Visitor’s Permit allowing them to park in Visitor or permit lots. They are available from the Business Office located in Building 8, Room 305. No staff or student parking is allowed in visitor Lot 4.

Special parking permits for disabled students, day and evening, are issued by the Business Office, Building 8, Room 305. For further information, call the Enable Center at 306-3490 or the Business Office at 306-3270.

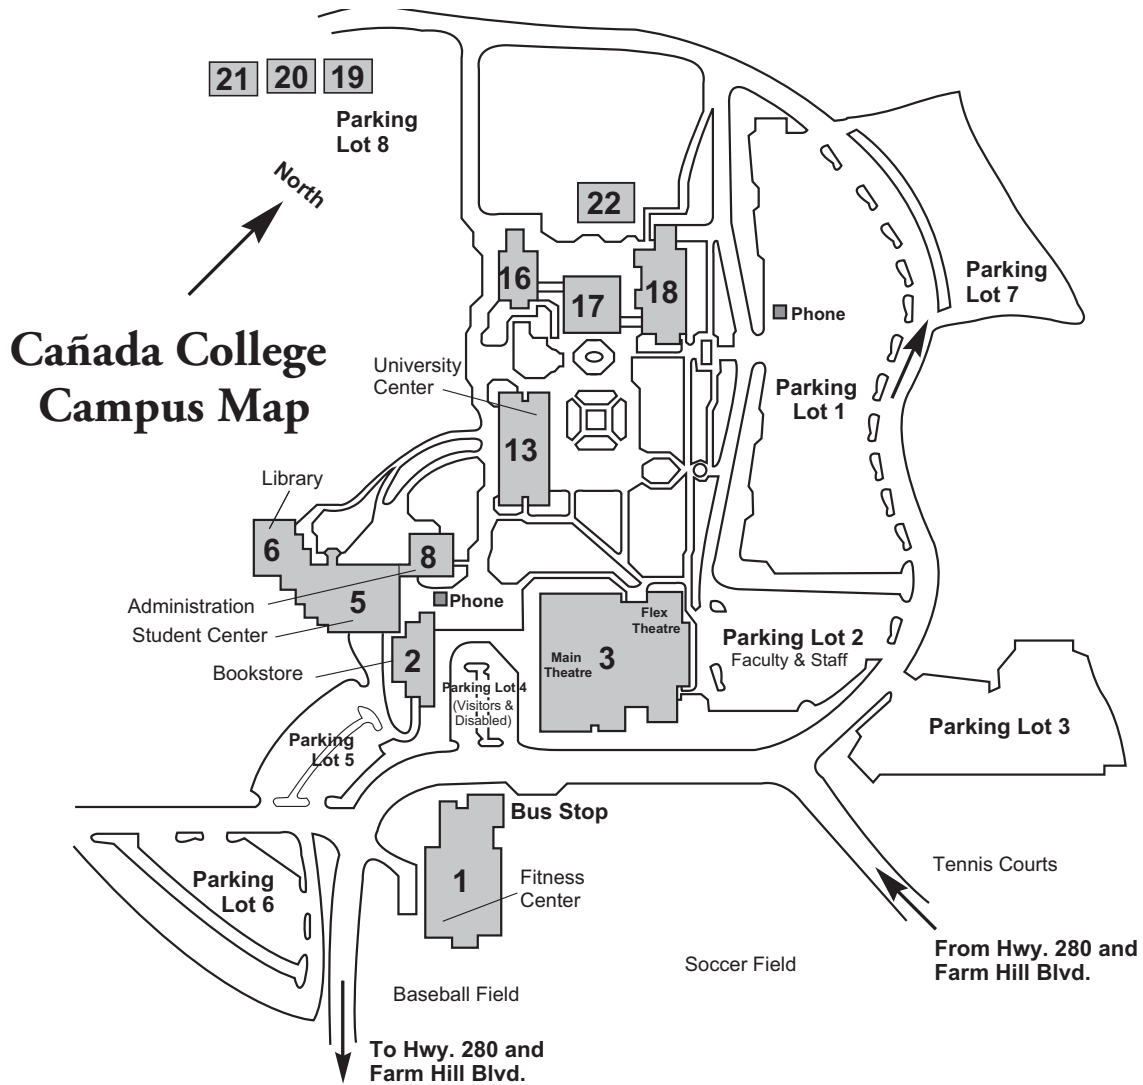

Parking fees are refundable through the second week of instruction in semester-length classes, or the first 10% of the instructional period in less than semester-length classes. During late registration, a grace period will be in effect in student parking lots only, in order to enable students to purchase a permit during the late registration period. Parking regulations are enforced at all times in staff lots and in other restricted areas.

Parking spaces are available on a first-come, first-served basis. Therefore, a permit is not a guarantee of a parking space. Cañada College and the San Mateo County Community College District do not accept liability for vandalism, theft or accidents. Use of parking facilities is at the user’s risk. Student parking permits are valid at all three campuses of the SMCCCD.
