

Internal Events Checklist and Instructions

We know you are working hard to organize a wonderful event to support our college community and we want to help make that process as smooth as possible.

All facility reservations, even for College Sponsored Events, must begin with the completion of the Request for Facility Use form. We have developed the following checklist and instructions below which are intended to help complete the Form because the process for College Sponsored events is somewhat different than if you are an outside vendor.

You should submit your Request form at least 2 weeks in advance of your event date.

Please review this checklist and follow the specific modified instructions as you complete the Request for Use of Facilities application form.

For assistance, please contact Rachel Corrales at corrales@smccd.edu or (650) 306-3271.

Thank you.
