

ASSOCIATED STUDENTS OF CANADA COLLEGE END OF THE YEAR REVIEW

Shawn Martin Senator 5/13/2015

CHANGE BENCHMARK

What have you learned from attending ASCC weekly Board meetings? I learned parliamentary and procedure, the brown act, and how to streamline a meeting. What have you learned from attending campus or district committee meetings? I attended the Safety committee here on campus and I learned that the faculty consider safety a top priority.

LEADERSHIP BENCHMARK

What did you learn from a conference or retreat you attended? Cooperation, cooperation, cooperation!

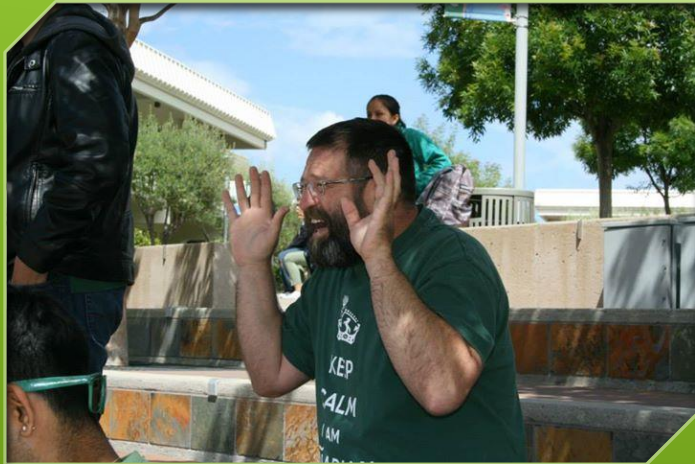

COMMUNITY BENCHMARK

What did you learn from planning
an on campus event?
Communication, communication,
communication, and patience.

COMMUNITY BENCHMARK

What did you take away from your big-little experience? Overall a really nice experience for everyone involved.

FINAL WORDS & CONCLUSION

Overall, what was your experience this year and how did you grow? This year I got to do things I never would have been able to do unless I was in AS. I got to push myself in ways I thought almost impossible and that lets me know that I can persevere.
