

Transfer Agreement/Transfer Admission Chart 2016-17

All UC campuses require students who are interested in TAG to complete an online TAG application by the TAG deadline, September 30, 2015 for the admission of fall 2016. The on-line TAG is available at: <http://admission.universityofcalifornia.edu/transfer/guarantee/index.html>

You may TAG with one UC Campus only!

In addition to the TAG application students must complete an on-line admission application between November 1 and November 30, 2015.

General Information and Eligibility Requirements

What is Transfer Admission Agreement/Guarantee (TAA/TAG)?

It is a contract between students and four year universities that is offered to eligible students who are seeking guaranteed admission to universities.

- Transfer Admission Agreements (TAA) is offered by Private universities
- Transfer Admission Guarantee (TAG) is offered by University of California (UC)

How many contracts may be signed at one time?

One per UC Campuses, and as many with private and out of State Universities

What are the general eligibility requirements for UC TAG?

- Have successfully completed 30 transferable units
- Complete preparatory of courses related to your major
- Have met the GPA requirement of the university of choice
- Completed 60 transferable units by the end of preceding transfer semester
For example: If transferring in fall 2016, all required courses must have been completed by the end of Spring 2016
- Some of the UC campuses are required students to be a full-time student at a community college (See each campus TAG website on previous page for detailed requirements).

TAG may not apply to all programs

How do I know what courses are required for my major and what is transferrable?

Please meet with your academic counselor to discuss the course path and to develop a Student Educational Plan by:

- Identifying the Courses needed for your major
- Exploring how to apply the results of AP exams (if any)
- Exploring TAG and its requirements

Please bring a copy of your transcripts from all colleges attended and the results of AP exams, (if there is any) to your counseling appointment.

For transferability of courses to CSU and UC campuses go to www.assist.org. You may visit the Web site of the private universities to find the transferability of courses under the “articulation agreements”.

What is my Transfer GPA? Total points/Total completed Transfer units = Transfer GPA

Please see your counselor or meet with the Transfer program Supervisor/Counselor. GPA calculator is available at the Transfer Center WEB page.

Where can I find the Transfer agreement forms?

The Transfer Agreement information is available at the Transfer Center. The UC TAG application is available at:

<http://admission.universityofcalifornia.edu/transfer/guarantee/index.html>.

It is strongly recommended to create an account with UC campuses through the Transfer Admission Planner (TAP),

<http://admission.universityofcalifornia.edu/transfer/transfer-admission-planner/index.html>, during first term of your attendance at Cañada College. This will allow UC campuses to provide you information about changes in the programs, opportunities at UC campuses, advising, and allow you to be entering your courses for TAG and UC application.

Instructions:

1. Meet with Transfer counselor to discuss your major and your eligibility, including course transferability, and transfer GPA.
2. Create an account in Transfer Admission Planner for UC TAG
3. Complete a TAA/TAG form, if required (some universities do not have the formal agreement contract form).
4. Meet with the Transfer Center Supervisor at the Transfer Center to finalize your contract before submitting it in September (1-30)

Note: TAA/TAG does not apply to impacted and selective majors
