## Final Questions

How would your program be impacted if this position is not funded? \*

If this position is not funded, our college would lose a vital component for our larger efforts in professional development planning and coordination, specifically as those efforts relate to, and are informed by, strong faculty input and collaboration. Additionally, this position ensures a connection between the priorities of the academic senate and the planning of professional development and other growth opportunities for faculty and staff.

Anything else you would like us to know? For example, awards, recognition from the community, student highlights, etc.

This position provides an essential link between faculty professional development needs and the college PD efforts overall. This position helps ensure we are meeting our obligations under the flexible calendar reporting requirements each year.
