<p>Peninsula Family Services</p>	<p><a href="http://www.peninsulafamilyservice.org">www.peninsulafamilyservice.org</a></p>	<p>Peninsula Family Service provides comprehensive services that support individuals and families at various stages of life. Originally a small organization founded in 1950, Peninsula Family Service has grown to recognize the need for innovative, professionally-led, locally-targeted solutions to secure the wellness and stability of our neighbors. The community has rallied behind this mission, providing fundraising support and volunteers to establish and grow expert-led programs. Our Child Development Centers provide children (ages 0-5) from low-income families including those who are homeless, with a safe, nurturing environment where they can learn, socialize, and thrive. We offer nutritious meals, high-quality curriculum, and targeted therapeutic interventions for children who have experienced trauma. We also support their development at home by educating parents on the latest early childhood development techniques. Through our Home-Based Program, we visit families with young children (prenatal to age 3) to provide education, strategies and support for early child development.  To achieve our goal of securing the right to opportunity for every child in our community, we concentrate our early learning efforts on the neighborhoods and populations that need it most. Our nine child development centers are located between Menlo Park and Daly City, with two centers dedicated to children living in transitional or emergency housing, and one for teen parents and their children.  Our programs focus on children ages 0-5 years old, a critical growth stage when more than 80 percent of their brain development occurs. We fuel that growth by providing nutritious meals—a healthy morning and afternoon snack, and lunch—connecting families to physical and behavioral health resources, and working one-on-one with parents to ensure their needs as a family-unit are met.  The result? Confident parents eager to take an active role in their children's education and young boys and girls ready to take kindergarten—and life—by storm.</p>	<p>Non-Profit</p>	<p>Preschool Teacher Positions Available with the following permits:  Associate Teachers have a valid permit and provide support and assistance to the classroom teacher. <p>Warby Parker</p>	<p><a href="https://www.warbyparker.com/jobs/retail">https://www.warbyparker.com/jobs/retail</a></p>	<p>Warby Parker was founded in 2010 with a lofty objective: to offer designer eyewear at a revolutionary price while leading the way for socially conscious businesses. By circumventing traditional channels and designing our frames in house, we're able to offer insanely high-quality eyewear at decidedly non-insane prices (i.e., from \$95 with prescription lenses—a fraction of the going price!).</p> <p>In the last eight years, we've grown to over 100 retail locations in the U.S. and Canada, opened our first optical lab in upstate New York, and launched two of our own iOS apps. And for three years running, Fast Company has named us one of the world's most innovative companies.</p> <p>We also hold ourselves to the highest standards of social and environmental responsibility. This means lots of different things, like operating carbon-neutrally and distributing a pair of glasses to someone in need for every pair we sell. (We're big believers that businesses can scale and be profitable while doing good in the world.)</p> <p>Of course, all work and no play makes a dull day, and no one likes a dull day. As an employee at Warby Parker, you can look forward to team outings, intramural sports, volunteering opportunities, and more. It also doesn't hurt that the team is just great company.</p> <p>Some benefits and perks of working at Warby Parker:</p> <ul style="list-style-type: none"> <li>Health, vision, and dental insurance</li> <li>Retirement savings plan with a company match</li> <li>Paid Time Off policy including six paid holidays</li> <li>Quarterly team performance-based incentive program</li> <li>Parental leave (non-birthing parents included)</li> <li>A health-and-wellness stipend</li> <li>Free eyewear (plus discounts for friends and family)</li> <li>Frequent snacks, team outings, and workday celebrations</li> <li>And more (just ask!)</li> </ul>	<p>Retail Stores</p>	<p>What you'll do:</p> <ul style="list-style-type: none"> <li>Communicate Warby Parker's values and brand philosophy on the sales floor</li> <li>Delight customers through nothing-but-wonderful service</li> <li>Demonstrate unparalleled product knowledge and offer exceptional style advice</li> <li>Dream up ways to reinvent retail and the glasses-shopping experience</li> <li>Anticipate the needs of your team and customers alike, and be at the ready to lend a hand</li> <li>Help foster an inclusive culture by treating customers and colleagues with respect</li> </ul>	<p>Retail Management</p>
