ENGLISH, LITERATURE AND READING

(See also Linguistics, Learning Center, and English as a Second Language)

IMPORTANT ENROLLMENT INFORMATION

Most English, Literature and Reading courses have prerequisites that are listed as part of the course description. You can meet the prerequisite by taking the designated class or by achieving a certain score on the English placement test. If it is unclear that you have met the prerequisite for the class in which you wish to enroll you might be blocked by the system. For more information about how prerequisites work please visit us at the college website: <http://canadacollege.edu/registration/>

To inquire about placement tests and the assessment process please visit us here: <http://canadacollege.edu/assessment/index.php> You may also contact the Cañada College Counseling Office (located in Building 9, Room 139) at (650) 306-3452 for assistance.

KINESIOLOGY, ATHLETICS AND DANCE

The majority of courses offered by the San Mateo County Community College District are now leveled to show progression from the most fundamental (level 1) to the most advanced (level 4). Course levels can be identified by a .1, .2, .3, or .4 system or by the course title. Course levels may be scheduled simultaneously. Students are advised to enroll initially at the fundamental level (.1) regardless of previous experience and be placed at the appropriate level based on instructor assessment. Adapted Physical Education and intercollegiate sports related courses are not affected by the repeatability legislation.

Kinesiology activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family listed below. If there is more than one course in a particular family, a student may only enroll in a maximum of four total courses within that family. After four courses within a family have been taken, a student has the option to audit should they wish to continue enrolling in courses within that family. Students who audit do not count toward meeting local minimum enrollment requirements. Thus, a class may be cancelled if enough credit seeking students are not enrolled no matter how many students wish to audit. For information about how to audit, students should refer to the audit policy in the catalog.

A course previously taken by a student, prior to course leveling within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four combined. A matrix which identifies the previous courses and the equivalent with levels can be found in the college catalog. This limitation on enrollment applies to all coursework attempted by the student. Students not having previously taken a Kinesiology or Dance activity course may have the opportunity to enroll in courses within a particular family for a maximum of four times.

For more information about these changes, and what courses constitute a family, please refer to the college catalog or see your counselor.

LEARNING CENTER

The Learning Center houses a variety of instructional support services to help students succeed. The Learning Center provides online and in-person programs and services designed to promote student success that includes peer tutoring, peer mentoring, retention support, writing support, and veteran supports. There is also access to programs such as JAM Programs, TRIO, MESA, BTO, COLTS-CON, Dream Center, V-ROC and the STEM Center.

In person supports include test-proctoring, small group meeting spaces, accessible technology and open computer labs with access to the Internet.

Learning Center Courses are primarily self-paced and open-entry. LCTR 100, 139, 140, 810 and 151 are all online courses. LCTR 822, 823, 840, 841, 842 and 843 are lab based courses that require completion of course materials/workbook in order to complete the course.

For more information, please visit the Learning Center web page (see link below) or the Learning Center Zoom Office Hours which can be found on the Learning Center Web page. In person support can be found in Building 9, on the Second Floor, from 8:00 a.m. to 9:00 p.m. Monday through Thursday and 8:00 a.m. to 3:00 p.m. on Friday, or call (650) 306-3348.

Learning Center Web Page: <https://canadacollege.edu/learningcenter/index.php>

After enrolling in one of the open entry courses, students must log-in to their CANVAS shell or visit the Learning Center to arrange for an individual orientation.

MATHEMATICS

IMPORTANT ENROLLMENT INFORMATION

Most Mathematics courses have prerequisites that are listed as part of the course description. For transfer-level courses, you can meet the prerequisite by taking the designated class or by demonstrating that you have taken an equivalent course somewhere else (including high school). For pre-transfer level courses, you may be eligible to enroll in a course even if you do not satisfy the prerequisites: you may be given a default recommendation to take a corequisite support course, but have the option of declining this recommendation through the assessment office or with a counselor.

If it is unclear that you have met the prerequisite for the class in which you wish to enroll, you might be blocked by the system. For more information about how prerequisites work please visit us at the college website:
<http://canadacollege.edu/registration/>

To inquire about default recommendations and the assessment process please visit us here:
<http://canadacollege.edu/assessment/index.php> You may also contact the Cañada College Welcome Center (located on the First Floor of Building 9, and at (650) 306-3452) for assistance.

THEATRE ARTS

Theatre Arts activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family. A family of courses may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the legislation) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

Theatre Arts activity courses are offered in levels by progression. Courses are listed by title; for example, Acting, Rehearsal and Performance, etc., and then by level. Level I is beginning; Level II is intermediate; Level III is intermediate/advanced; and Level IV is advanced. The course number also indicates the level. For example, a beginning Acting class would be listed as DRAM 201.1, Acting I while an advanced Acting class would be DRAM 201.4, Acting IV.

New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken a course within a family, must progress to the next level.

For more information about these changes, and what courses constitute a family, please refer to the college catalog or see your counselor.
