Classified Staff discussed the Ace short recommendation #1: Restoring trust

Discussion prompts:

-What is your observation about this recommendation?

-Which campus committee ans/or stakeholders should be responsible for addressing this recommendation?

Main discussion points:

Addressing this issue would be up to the administrations. However the role of the classified staff would be to share their experiences and engage the administration in meaningful conversation.

-What is our definition of trust?

Retention specialists are frustrated with the inequality between faculty and staff.

Many staff are frustrated with the new position proposal and voting process. The underlying issue is that many people who are asked to vote for the new position do not have a basic understanding of the essence of each position.

Classified Staff rated the activities for FunRaising:

1st. Classified Grill & outdoor BBQ, base donation for plate of food.

2nd. Paint & Sip off campus event, base donation to participate

3rd. Off-The-Hill bring food vendors to Canada, ask them to donate % of Proceedings

Trivia Night competition, people buy as a group

See's Candy FunRaising will happen but what other activity can we do?

Additional suggestions: Mothersday basket and/or Summer basket, Rafil basket

In our next meeting we will have a new link and we will discuss possible new guests
