Concerns

The Grove/Pacific Dining - reports of staff being “unprofessional” - hanging out in The Grove seating area “with feet up” and “on their phones.” People are confused about where to purchase food for upcoming end-of-year celebrations. *Suggestion:* Vote of no-confidence in Pacific Dining company. Refrigeration used for a weekend event, found some really questionable items. Tom Bauer (owner) no longer with the district - what are our options? Employees have reported getting sick/food poisoning and management has done nothing. NOT a post-pandemic issue - has been a problem for years. *Suggestion:* propose new vendor(s).

Yesenia Mercado

District Participatory Governance Committee:

No action done at this past Monday's meeting (not enough people attended to make quorum.) In May, we will have action on all BP sent last month.

Alex Claxton

Instructional Planning Committee:

IPC is meeting this Friday, We're acting on program review dates. Otherwise lots of information items.

Student Services Planning Council

We've only had 1 meeting, which was yesterday. We heard updates from the Educational Master Plan Taskforce asking for feedback, from the OER/ZTC committee, and had some updates regarding commencement and Guided Pathways. They shared a sign up link to volunteer at commencement: We heard from Max Hartman regarding "The Institutional Pull of White Supremacy" as part of the Transformative Antiracist Leadership Community of Practice presentations going on this semester. I present alongside Margarita Baez at the next meeting on April 27! Lastly, we had a presentation from the Equity and Antiracist Leadership Group sharing the proposal we saw at the last Classified Senate meeting and asking for feedback.
