Question: are we meeting again? Do people want to schedule another meeting? Emergency meeting after next PBC meeting, anti-racism group is presenting and deciding where they will be. EAPC - presentation, do not know what is going to vote. Members will need to be appointed by classified senate and CSEA.

Question? What process do committees go through to be formed?

- Any committee, work group, council, has to follow board policy 2.08
- Really important to continue this message

Administrators do not decide who sits on committees. Classified staff are approved by Classified

Senate and CSEA.

Is there a way to see which committees are or are not in compliance?

Short term, part time employees are not able to be in committees

Representatives in committees should be notified that they are cycling out and either seek re-appointment or new appointments.

Term limits? How are they being regulated?

Program Review Work Group

- Got tabled until next fall

Building 1 FAQs - send Roz questions so that we can get written responses

Should keep doing votes via individual link. Got effective turn out.

Thank you for Classified will be on May 19th - coffee and snacks
