Hi Allison,

Salumeh is assigned to evaluate me this semester. The procedure states:

In order to enable evaluation of online classes, the evaluator will be given the role of “Non-editing teacher” for the evaluatee’s online class(es) through the District-sanctioned online course management system and provided with any necessary passcodes by Week 4

I knew how to do this in Webaccess, but can't figure it out in Canvas. Is this something you have to do?

Thanks for your help,

Kiran
