Digital onboarding. Building a "going online" self-paced Canvas course for studetnts? Maybe along the XL Online model already in the system. Discuss curriculum, resources and seek one or more faculty willing to build it.	Nick	20 min
Fully online degrees. PRIE has provided deans with a list of degrees that can be achieved fully online. The next step is departments reviewing the classes in these degrees and deciding which ones the department wants to support and promote as being available fully online.	David, Nick	20 min
Best practices. The Cañada DE handbook seems to have not been revised since 2014 and the landscape has changed. Let's put it up on the screen, put our heads together and suggest edits and additions. https://canadacollege.edu/deac/docs/DEFacultyHandbook_Spring2014.pdf	Nick	30 min
Brown Bag Wednesdays. This semester the professional development committee is seeking to host a series of casual lunch time zoom sessions. Discuss topics, build a long list, then short one. Seek volunteers to introduce that topic in a brief, casual lunchtime meeting.	David, Nick	20 min
