

# Cañada College Connect: Expanding Equity Presence

---

Strengthening support in East Palo Alto, North  
Fair Oaks, and Belle Haven

# Why This Matters

---

- BIPOC, low-income, and first-generation students remain underserved in our region.
- Community feedback calls for consistent, in-person, multilingual support.
- Our goal: bring college services directly into neighborhoods that need them most.

# Strategic Objective

---

- Establish ongoing physical presence at community-based organizations.
- Provide hands-on support: applications, financial aid, counseling, referrals, registration.
- Expand partnerships with nonprofits serving youth and adult learners.

# Fall 2025 Outreach

# Confirmed Cañada College Connect Locations

Fair Oaks Community  
Center

CCC started on Nov 2025
