Dear College Community:

We are excited to update you on the Educational Master Plan (EMP) Team's progress and upcoming meetings.

Meeting held: September 15, 2016

A. Accomplishments:

- Reviewed, discussed and eliminated some planning assumptions. The EMP will continue prioritizing and revisiting the draft planning assumptions that are most relevant and important to our College.
- Discussed and decided that the EMP will analyze external and internal data → generate core values → share the core values with Campus and seek feedback.
- Determined that the EMP will hold a one-hour forum at each division's October meeting. Meetings are open to all.
- Decided that the EMP will provide structure for the forum to seek campus' feedback.

B. Next

- Inform division deans of the EMP forum.
- President will send college wide email to invite the campus to participate in the EMP forum.
- The EMP will design the structure and questions for the forum.

- d. The EMP will analyze data and generate core ideas/values.
- e. Updated [EMP task schedule](#)
