As a result of being involved in the Program Mapper, we need to set our maps and interest areas. Program Mapping and Interest Areas can happen simultaneously. Workgroups can transform into other priority areas (ex. Once interest areas are identified, that group could then look at integrating Career Exploration). Additionally, once interest areas are solidified, it can inform the CRM and Program Mapping. Canada has been invited to participate in the Program Mapper pilot program which would launch in Fall 2018. A \$50,000 match is required of which, \$33k from CTE Unlocked can be applied. In iDeans, the Mapper was discussed and there was consensus that the college should move forward with the pilot so that we can 'beta' in the Spring 2020. Last Friday, 20+ students participated in a sorting activity which resulted in good data which should be

Mission Statement

Cañada College provides our community with a learning-centered environment, ensuring that all students have equitable opportunities to achieve their transfer, career education, and lifelong learning educational goals. The college cultivates in its students the ability to think critically and creatively, communicate effectively, reason quantitatively, and understand and appreciate different points of view within a diverse community.
