Honors Counselor Soraya Sohrabi

Hello and welcome to Cañada College!

My name is Soraya Sohrabi. I am a part-time Counselor and have worked at Cañada College for more than 30 years. I have experience working in general counseling, Transfer, Honors Transfer Program, and College for working Adults (CWA). I have taught several Career courses including 110, 300, 401, 407, and 137. I have also experience in developing Articulation Agreements with four-year universities.

Soraya's Office Hours

- Tuesdays and Thursdays:
9 am to 3 pm
- Wednesdays:
1 – 7 pm.

I always enjoy and privileged working with our students and am honored to be part of their journey. I am a transfer student and once I completed an Associate Degree in Business Administration from Cañada College. Then I Transferred to San Francisco State University where I received my Bachelor Degree in Business Administration/International Business Management. After a few years break and working in Education, I entered into a Master's Program at San José State University where I completed my degree in Counseling Education.

For more than sixteen years I coordinated the Transfer Program and Services at Cañada College. At this program, we provide transfer opportunities and assist our students with different backgrounds to explore their transfer options, plan and strategize to ease their transition to the university of their choice.

I look forward to working with you on finding your path and to support you in reaching your educational and Career goals.
