

Counseling Announcements Fall 2018

Student Education Plan (SEP) Campaign

- Please help counselors promote to your students the importance of developing or updating their Student Education Plan to stay on track towards achieving their goals.
- **If students develop/update their SEP by October 26th, they will have an earlier Priority Registration.**

Transfer Day

- Please inform your students about **Transfer Day on October 16th (Tuesday) between 10:30am – 1pm at The Grove.**
- Representatives from the UCs, CSUs, Private Colleges and Out-of-State will be in attendance to answer any questions that your students may have about transferring to their schools.
- We will also have space for students who want to get their Personal Insight Questions (PIQs) reviewed by faculty.

Counseling Plans under Development

- Online Counseling
 - In order to better assist distance education students, we are in the process of establishing Online Counseling where students can chat with counselors using Zoom software.
 - We expect to begin piloting this feature this Fall 2018 semester and we will keep you posted once we have a definitive date for implementation.
- Counseling Drop-ins
 - We are developing a schedule during the semester when we can meet with students on a drop-in basis. Historically, we only offer drop-ins during the week before the semester begins and the first two weeks of school leading up to the add/drop deadline.
 - The two dates when we plan to implement drop in counseling will be during Tuesdays and Wednesdays.
 - Once the counseling department finalizes the drop-in times for this Fall 2018 semester, we will let the division know.

Fall 2018 Important Application Periods:

- **Transfer Admission Guarantee (TAG) Application: September 1 – September 30**
- **California State University (CSU) Application: October 1 – November 30**
- **University of California (UC) Application: November 1 – November 30**
