

Degree and Certificate Completion: State, District, and College Trends from 2018-2025

Instructional Planning Council
September 19, 2025

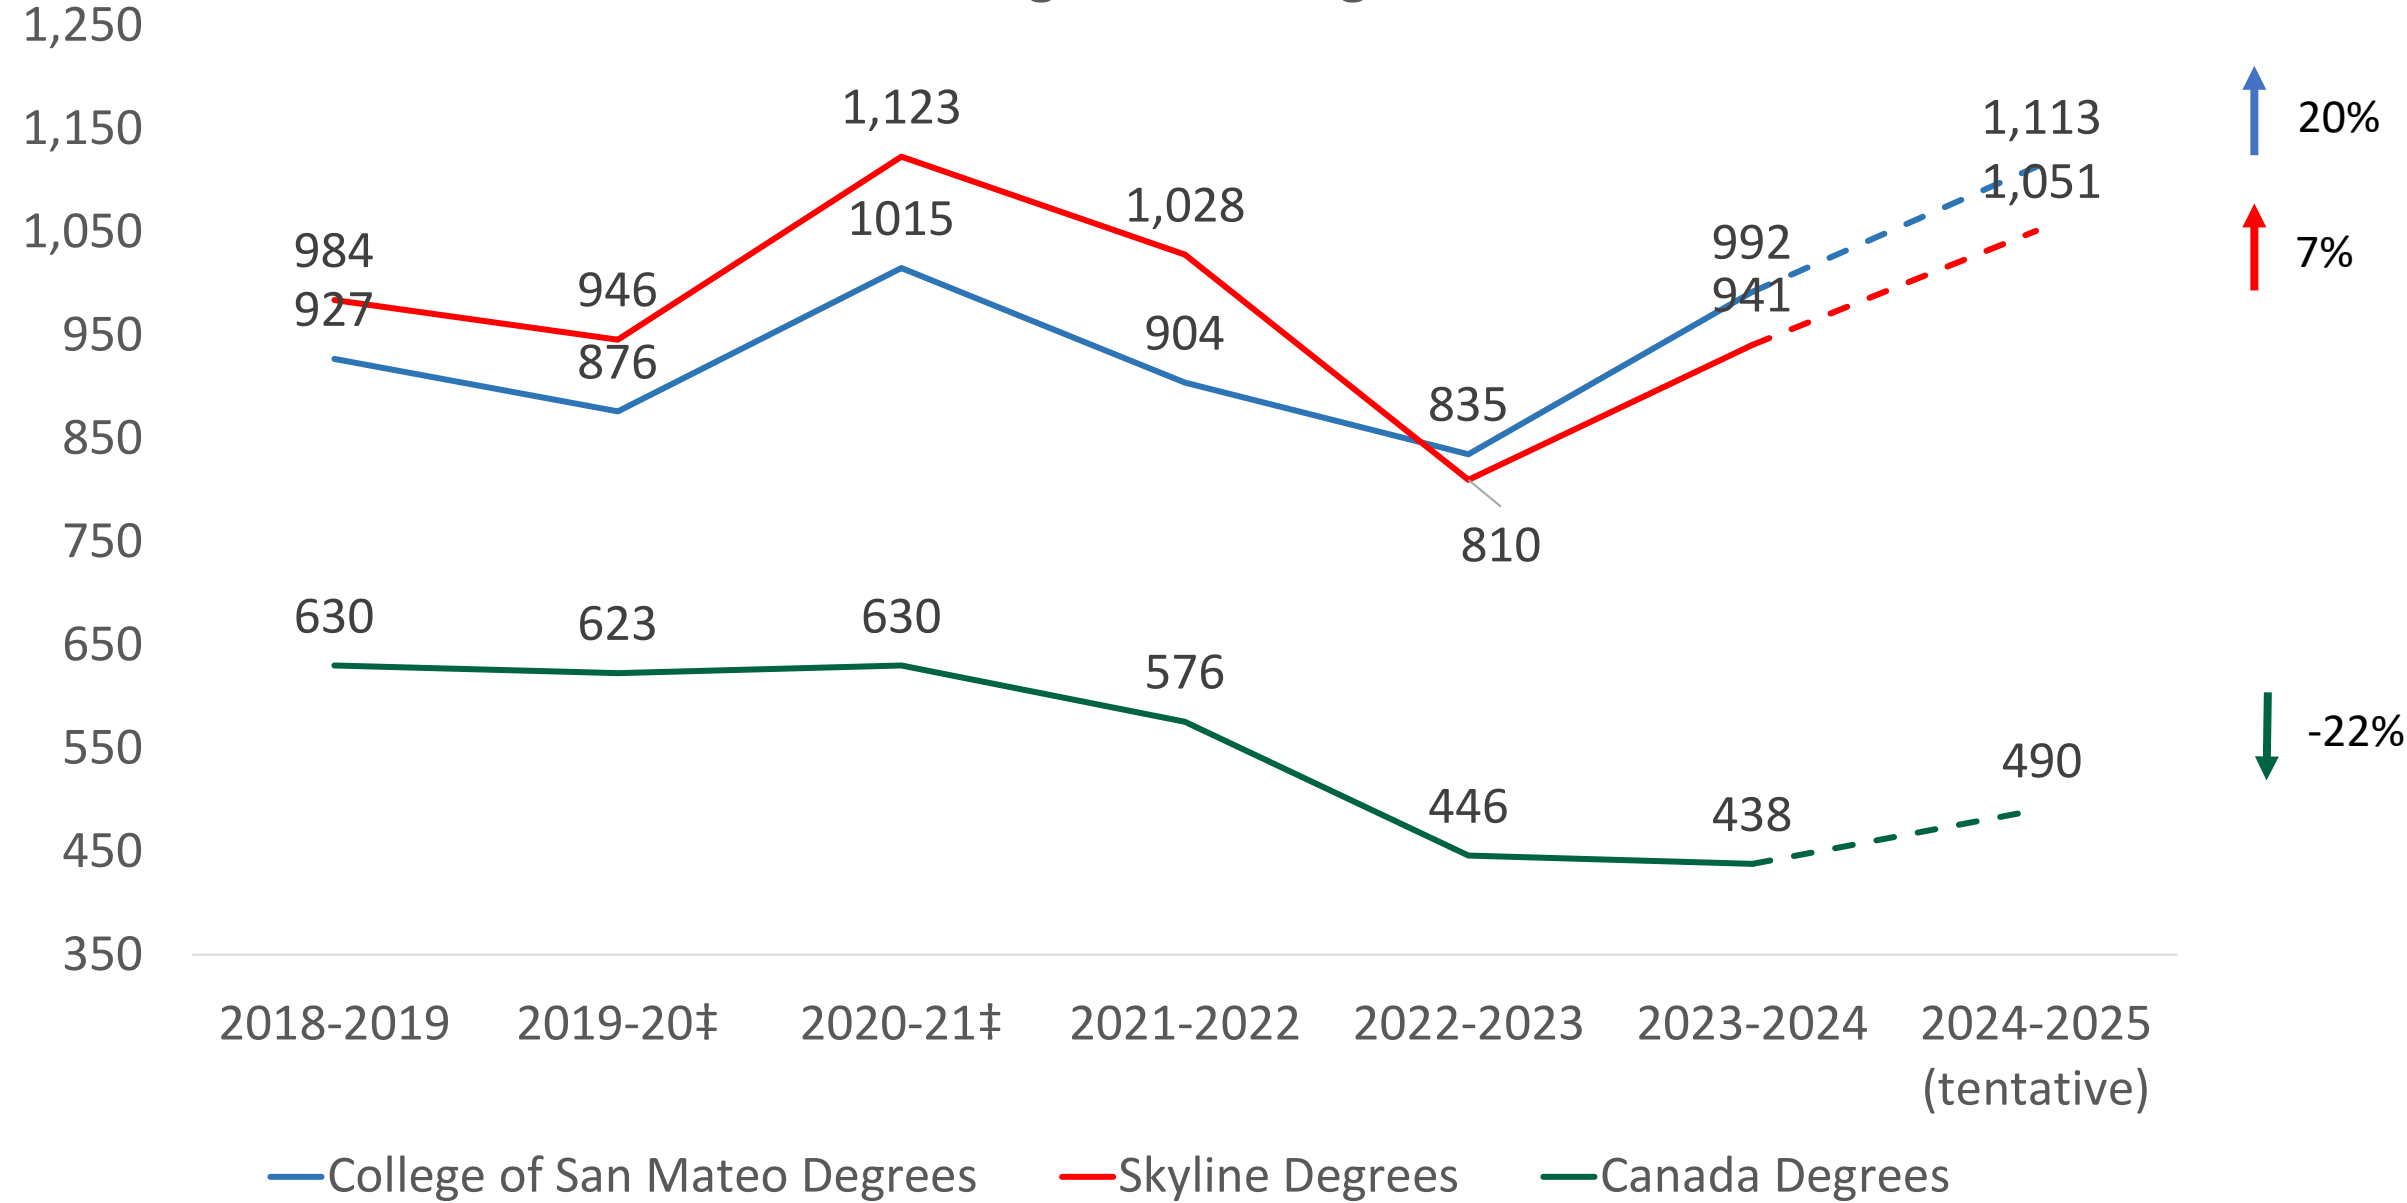

Prepared by the Office of Planning, Research & Institutional Effectiveness

The number of degrees and certificates Cañada is awarding each year fell sharply during the pandemic and is not recovering as quickly as those at Skyline, CSM, or across the State

SMCCCD Colleges Total Degrees Awarded

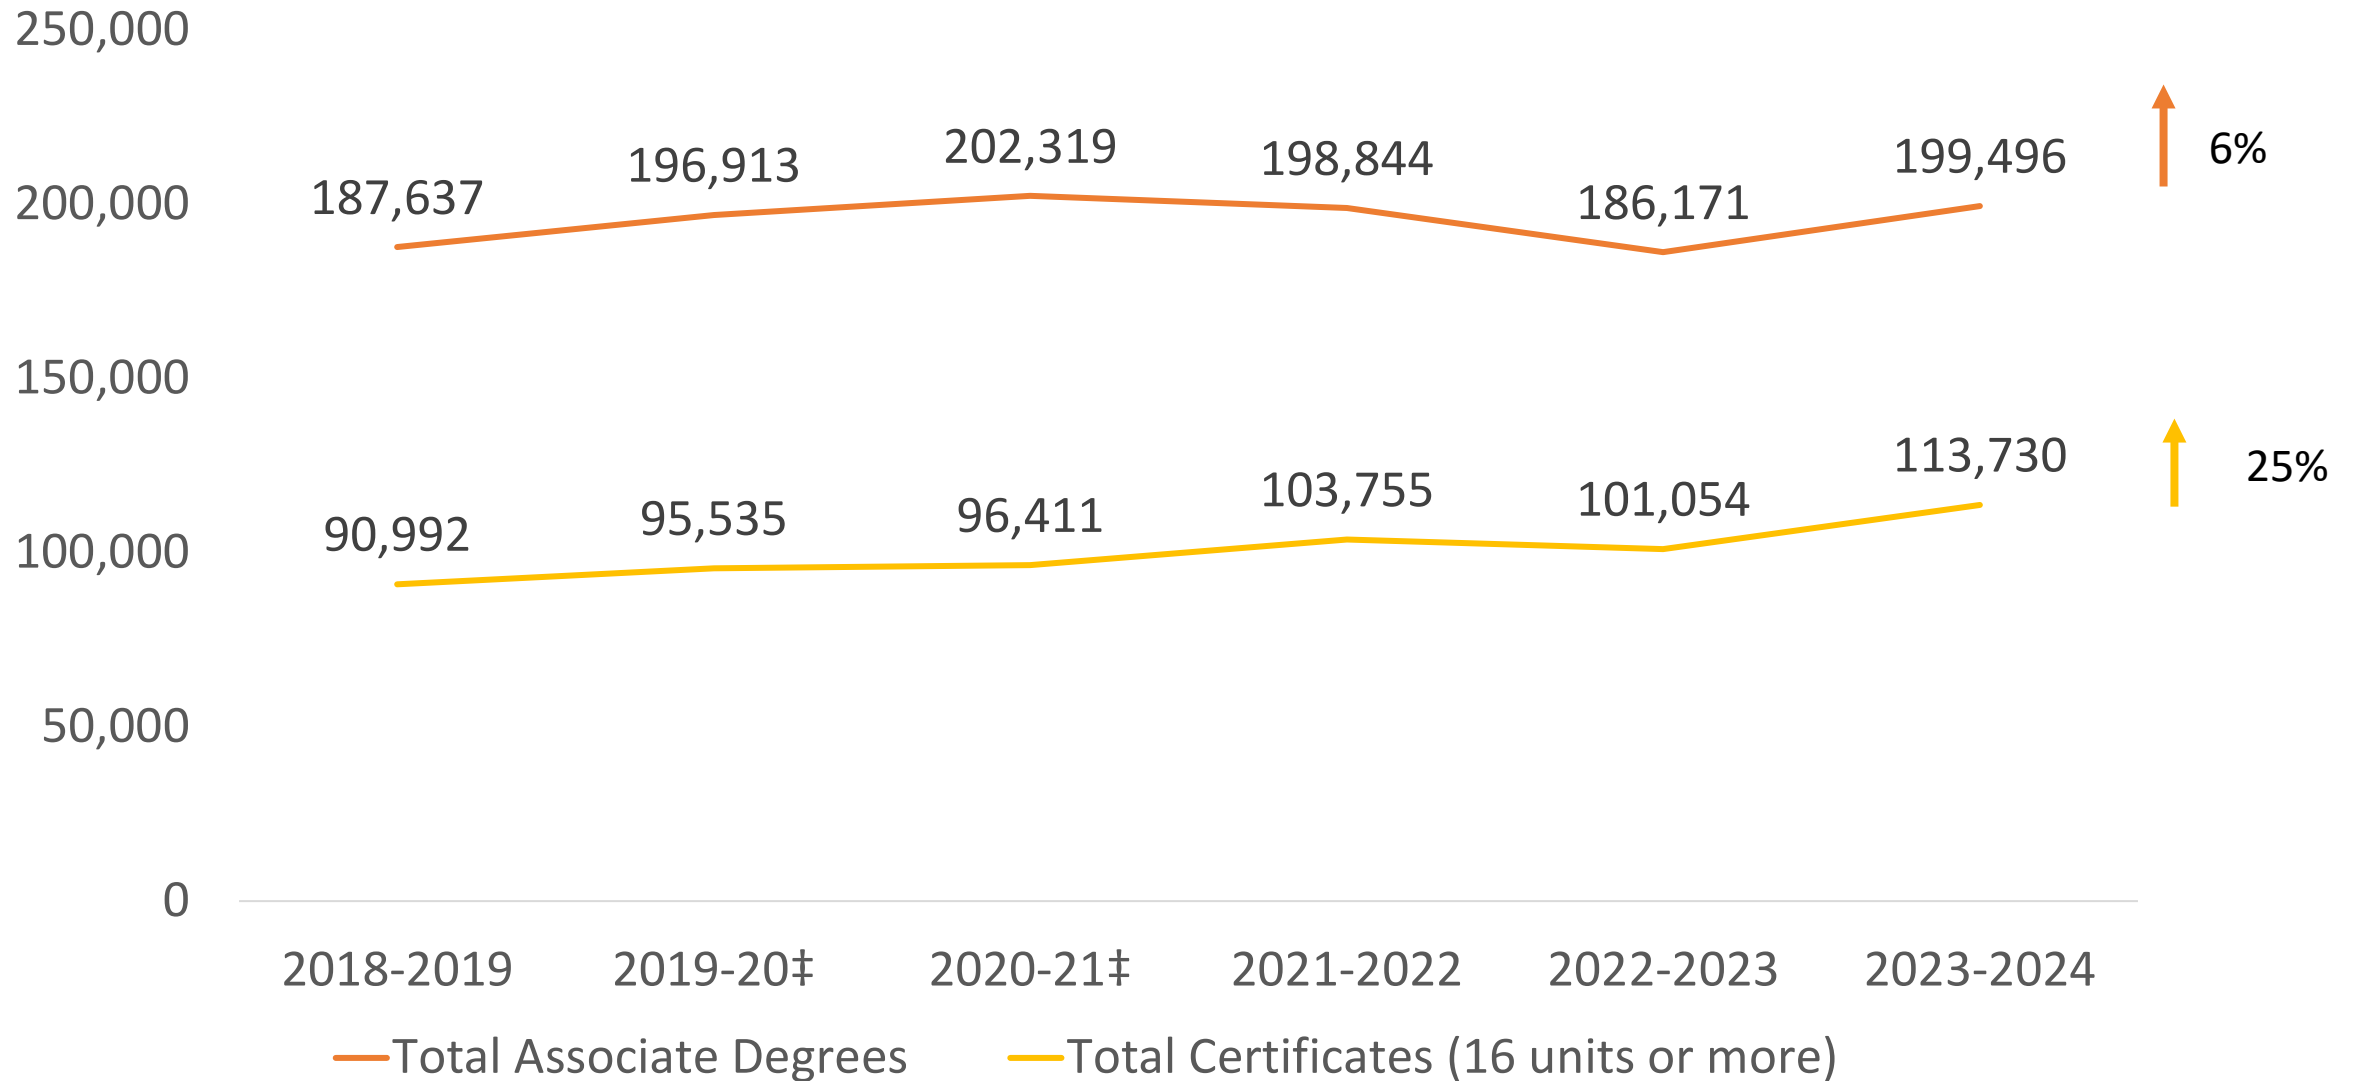

SMCCCD Colleges Total Certificates Awarded

When Skyline performs degree audits, they also look for certificate completion

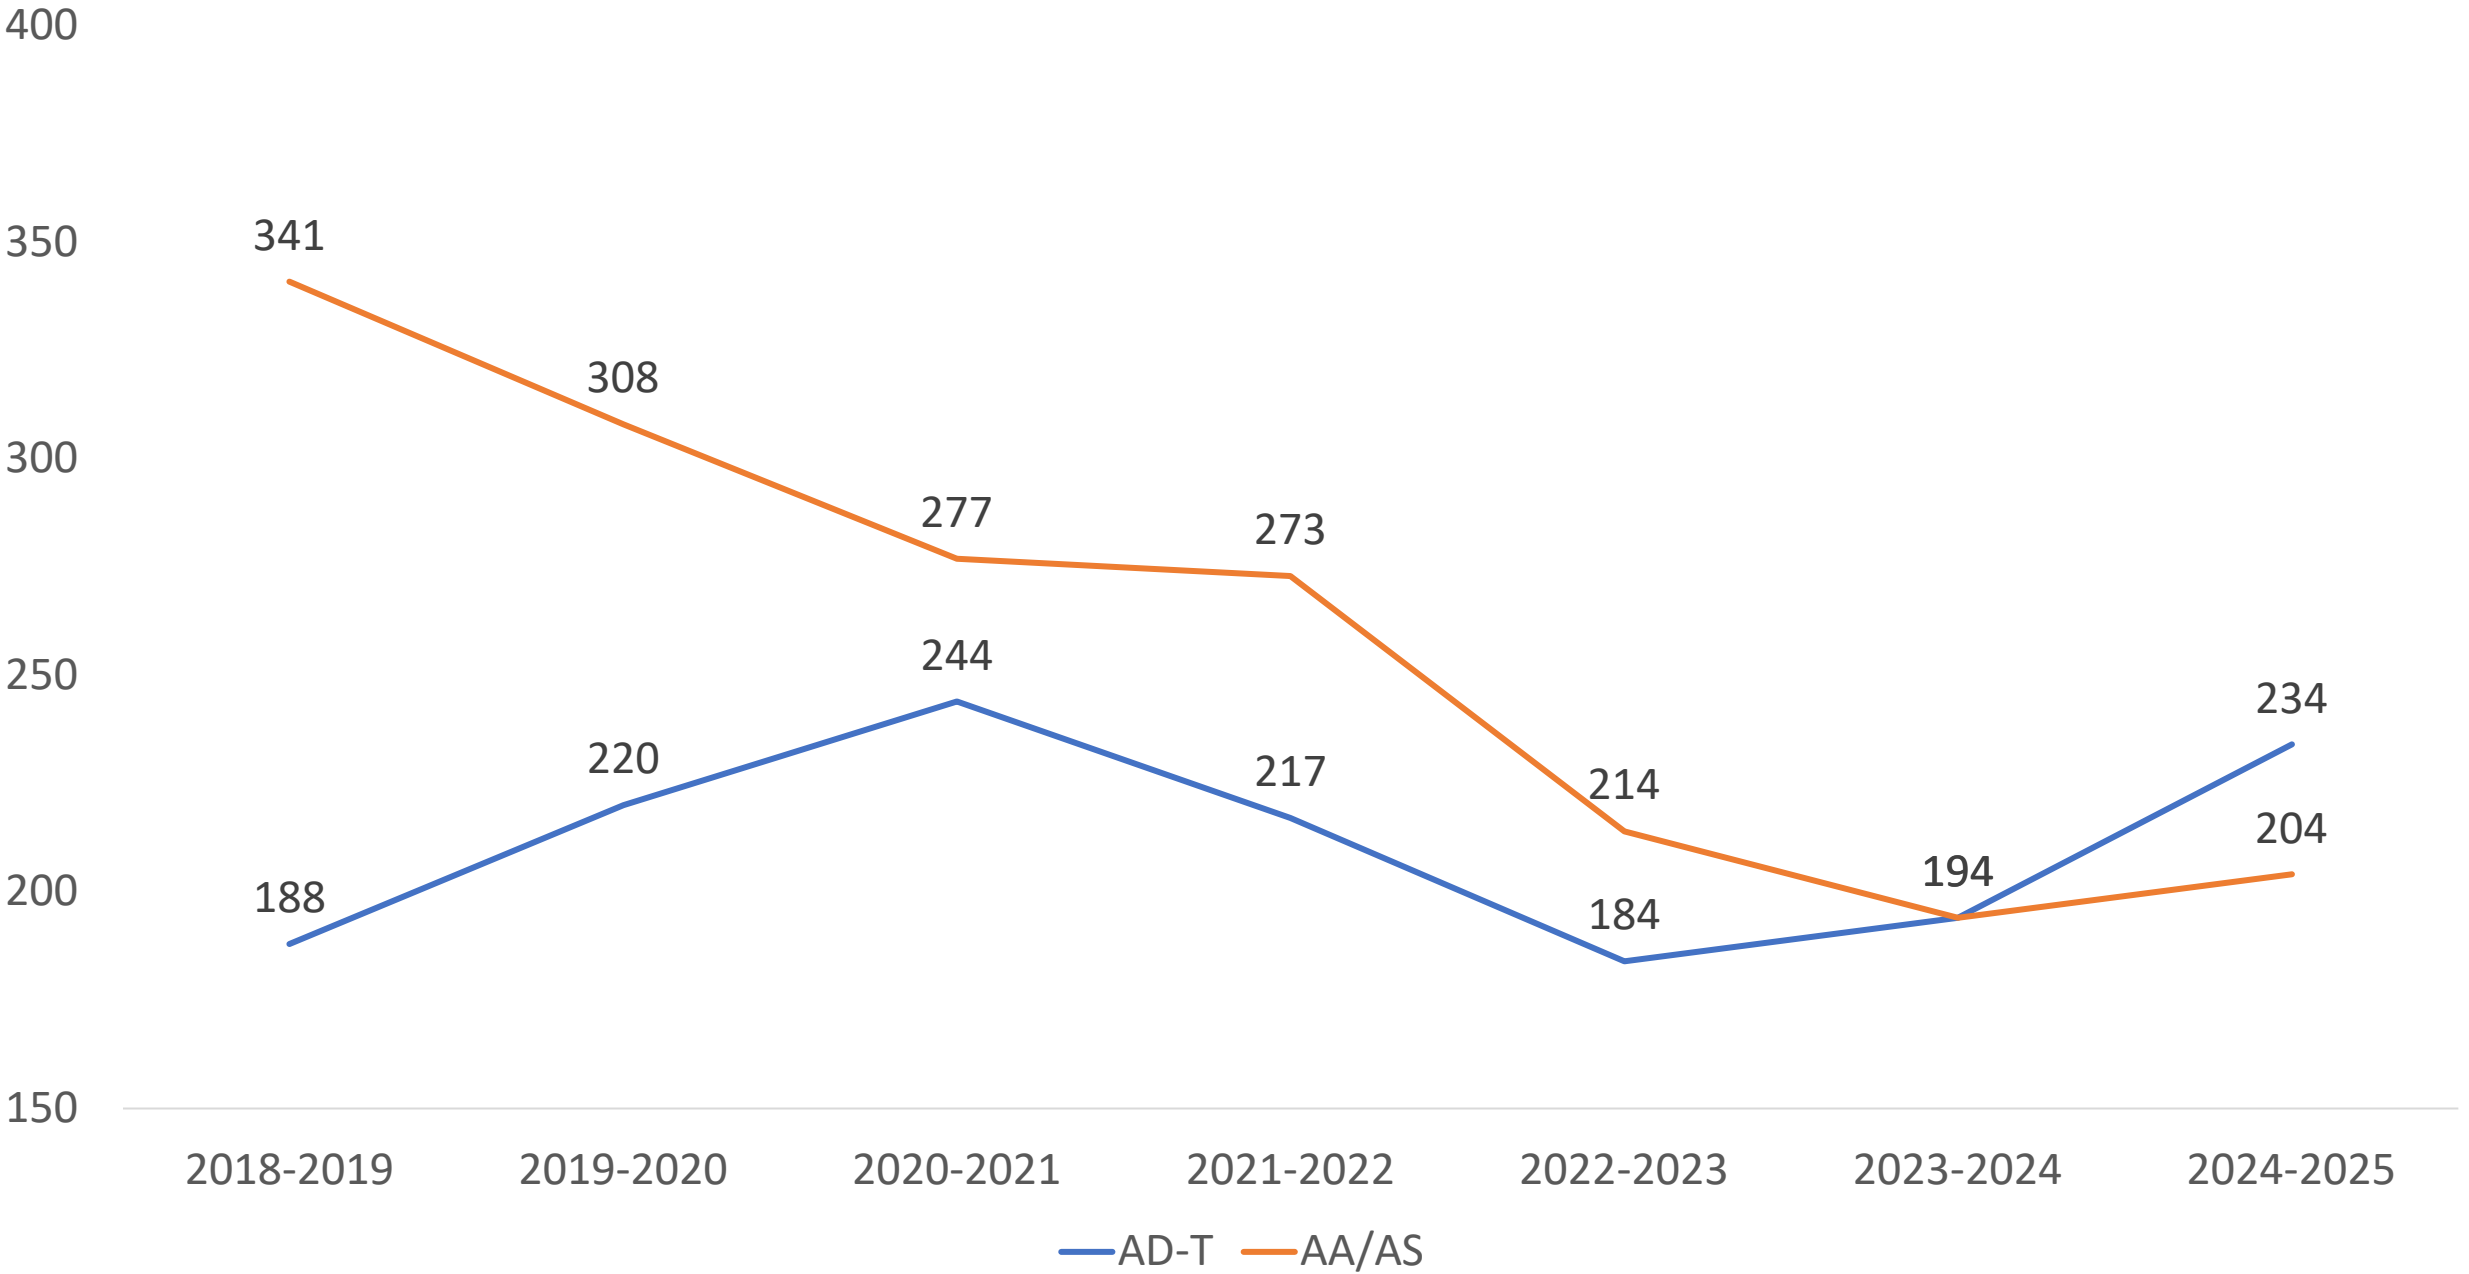

Total Degrees and Certificates Awarded by all California Community Colleges

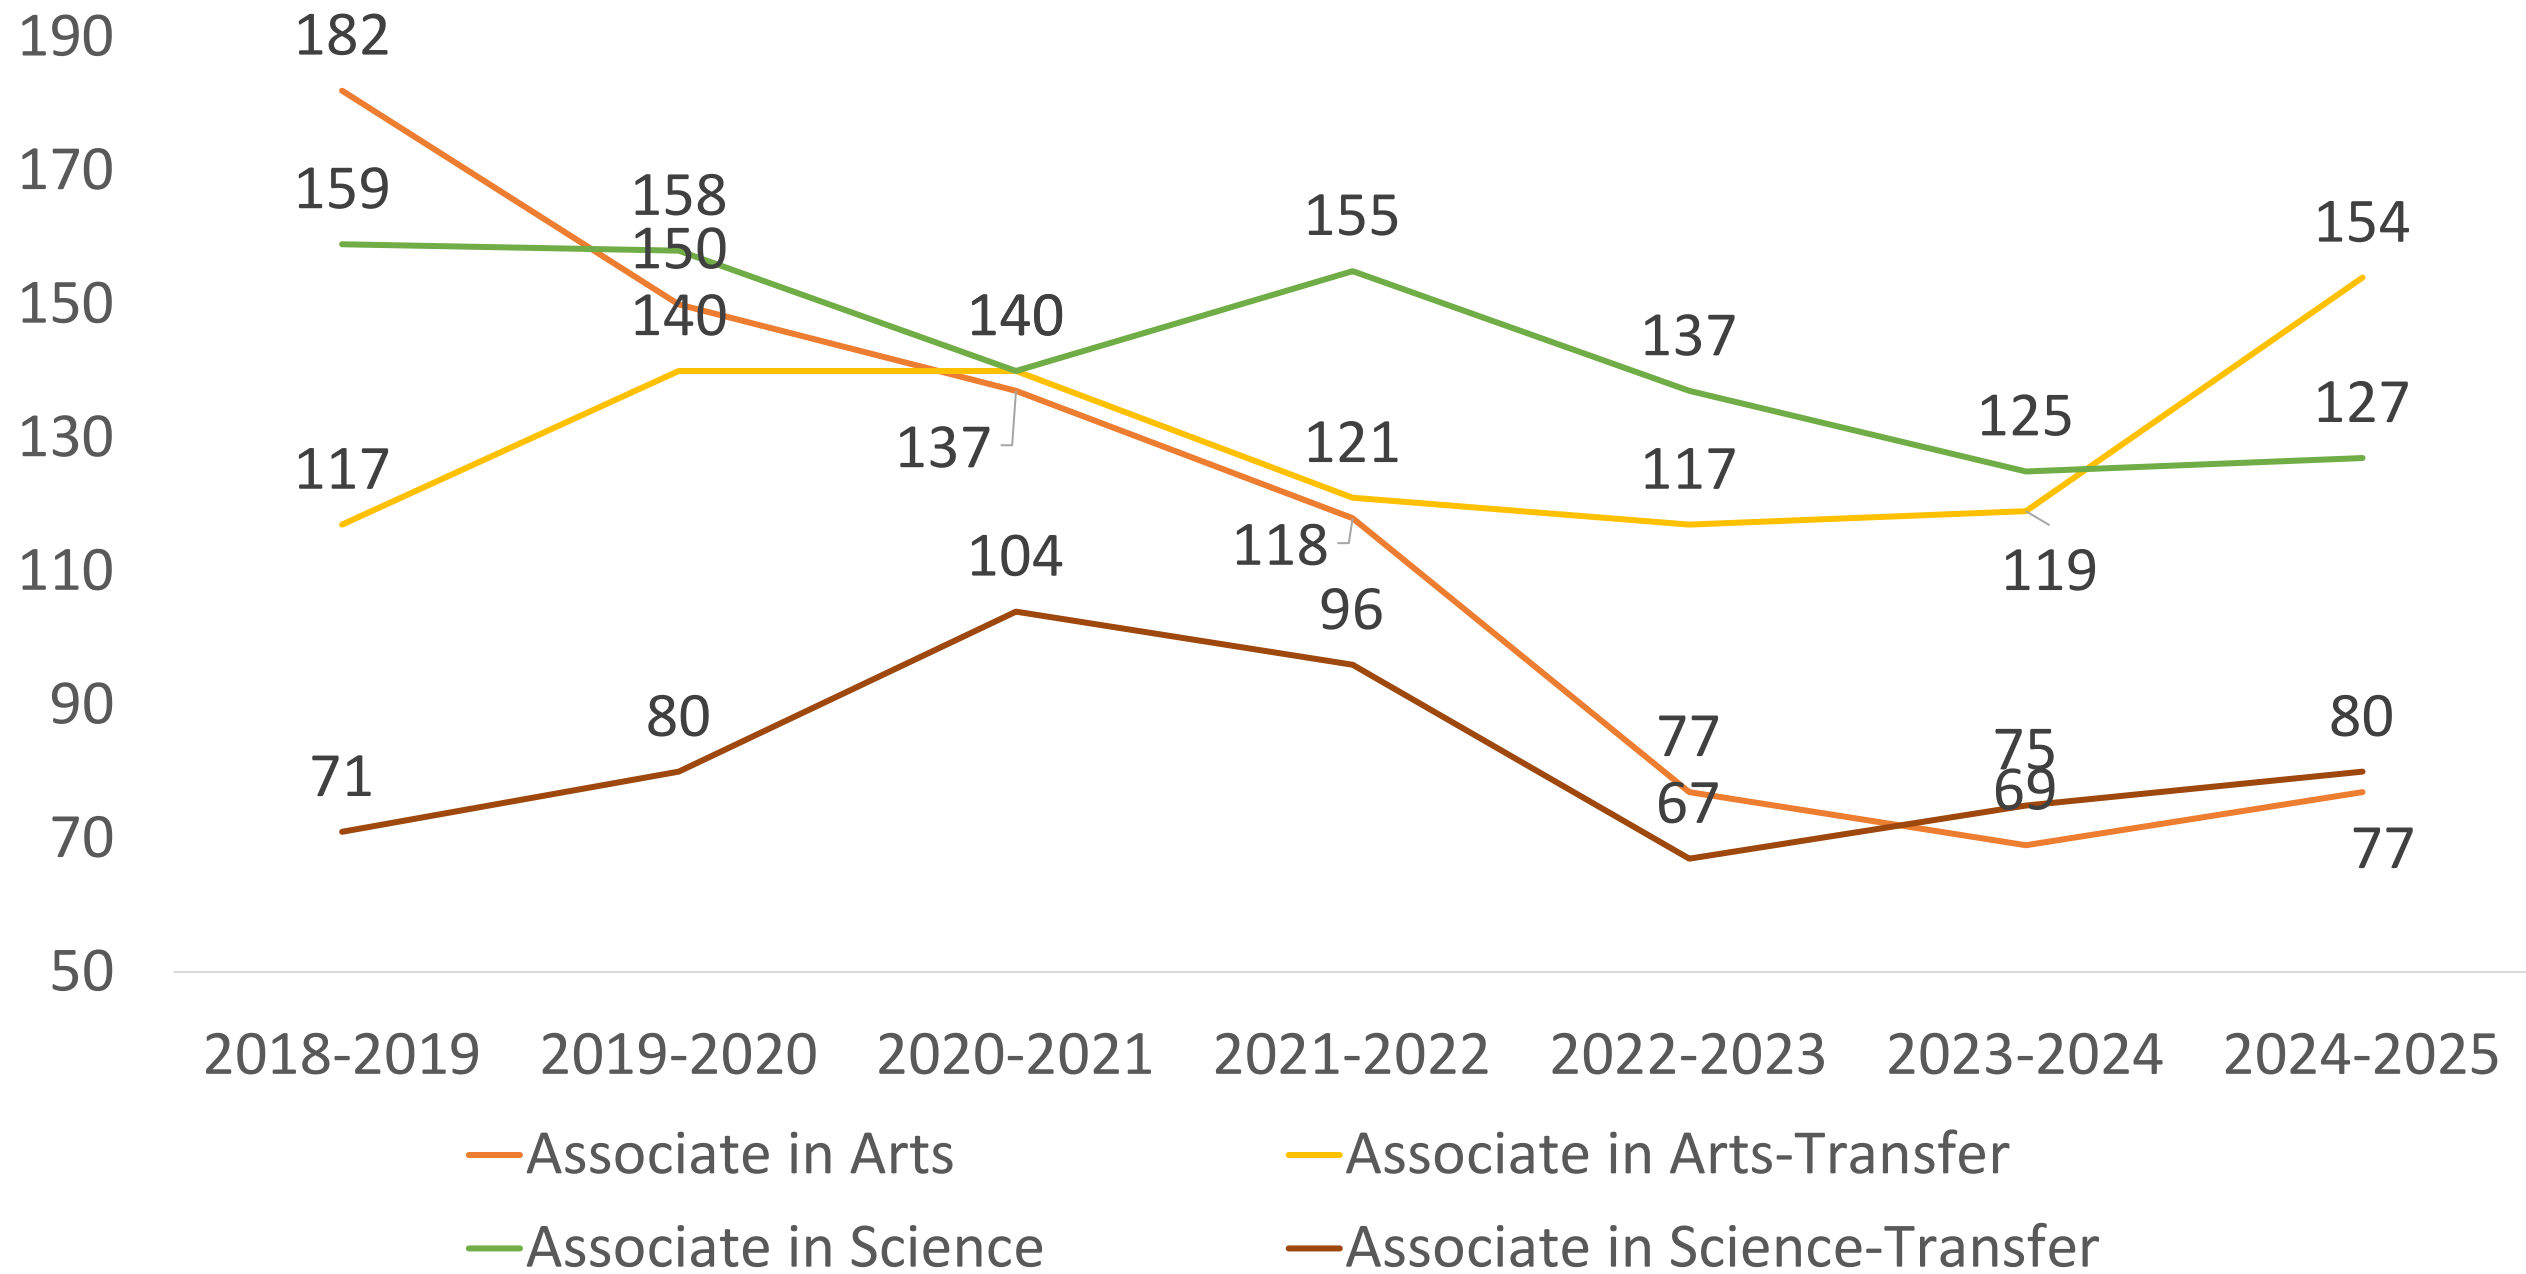

Source: DataMart. Only credit certificates included

At Cañada, both the number of AD-Ts and AA/AS degrees have fallen over time, while at SKY and CSM, the number of AD-Ts has grown and AA/AS degrees conferred are recovering
