IDENTITY GUIDELINES AT CAÑADA COLLEGE

A brand represents a promise to its customers. It presents a standard of quality and a point of comparison with other products or services. While our brand perception is created from the sum of all interactions with Cañada College, including the use of our site, advertising, word-of-mouth, and press reports, it is the identity that must verbally and visually represent the brand. Given the importance of the brand, we have created usage standards that must be followed when using our identity, whether on-line or off-line, in any use. Please refer to the guidelines that follow for the proper standards.

The style guidelines of the Cañada College seal and logos must be adhered to strictly. Approved artwork must be used and the design cannot be altered in any way. No variations, adaptations, or new logo units should be created without prior consultation with the college's Director of Marketing and Visual Communications Coordinator.

We believe the positive attributes of the Cañada College identity—smart, dynamic, thought-provoking, and objective—will truly add value to your marketing and business efforts.

Thank you for your cooperation.

USE OF THE COLLEGE NAME IN TEXT

The proper use of our college name is vital to our representation of our mission and branding.

Please, do not:

- use the college name in plural form
- hyphenate or dissect the name in any form
- combine the name with other words to form new names

Properly typing and writing our name is the most important aspect of differentiating our college and brand from other entities. **ALWAYS** be sure to use a tilde (~) over the “n” or “N.”

Shortcuts for the tilde:

How to type “ñ” on a PC: hold “**ALT + 0241**” | How to type “Ñ” on a PC” hold “**ALT + 0209**”

How to type on a Mac: hold “**Option + N**” then either **lowercase n** for “ñ” or **capital N** for “Ñ”

EXCEPTION: The website URL is a single word, and **DOES NOT USE A TILDE**. In order for our web addresses to display correctly, our home page and **ALL** interior pages should appear, and be created, in lower case letters:

OUR COLLEGE LOGO AND ITS PROPER USE

Our logo is the key to properly representing Cañada College. We must ensure proper usage.

The college logo should be used on all outdoor and indoor signage, marketing collateral such as brochures, website, advertising, training materials, events and event-related materials.

Please observe the clear space that is around the logo. Nothing should intrude this specific area. When in doubt, please leave enough room around the logo. The preferred logo is our green one over a white background. Please use the white logo over darker backgrounds or on Cañada Green.

The logo consists of a custom tree illustration, a set of lines in two weights and the name of the college in upper and lower case letters, written in ITC Garamond.

OUR COLLEGE SEAL AND ITS PROPER USE

Our college seal is mainly used by the Office of the President and the Marketing Department.

The Cañada seal should be used on all official documents such as transcripts, diplomas, and the President's communications such as the newsletter.

Please **ALWAYS** use the college logo and **NOT** the seal. If the seal needs to be used for a specific material or website, please contact the Marketing Department.

Please observe the clear space that is around the seal. Nothing should intrude this specific area. The preferred use is our green logo on a white/light background.

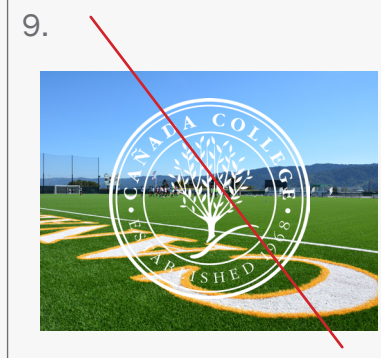

The Cañada College seal consists of a custom tree illustration in the middle of a set of three concentric circles, the college name and the words "Established 1968", all in upper case letters. The typeface used is ITC Garamond.
