

Dear Campus Community,

**Connect to College Night: April 26**

Connect to College (our annual Open House) is swiftly approaching and we'd like to have as many Cañadians as possible attend to represent their respective programs and connect with prospective students. There are many opportunities for campus students and employees to get involved:

- Employees are needed to greet and guide our guests. **Sign up [Here](#).**
- Host a Table at the Resource Fair: Current students and event guests will visit the Resource Fair between 5:30-6:45 p.m. in The Grove. **Sign up [Here](#) to confirm a table for your program by April 16 (First come, first served).**
- Help promote the event by sharing the attached flyer.

The event flyer is attached. For questions, please contact [Mayra Arellano](#).

**Nominations Sought for President's Leadership Award: Due Monday, April 16**

Nominations are OPEN for the President's Student Leadership Award. All members of the Cañada Community are encouraged to nominate a graduating student for this recognition. Criteria encompasses leadership, achievement toward personal educational goals, and community involvement. Full details and nomination form may be found [here](#).

**Vice President of Instruction Site Visits:**

Last week we conducted the site visits for Dr. Char Perlas and Dr. Tammy Robinson. On Wednesday we visited Chabot College and met with four faculty members all currently working with Dr. Perlas. On Friday, we met with both faculty and staff at Skyline College regarding Dr. Tammy Robinson. I would like to thank Academic Senate President Hyla Lacefield for designating two faculty members (Dick Claire and Ronda Chaney) and Jeanne Stalker Classified Senate President for designating Joan Murphy. I am looking for an individual who can work with and through faculty and staff in building a collaborative partnership in serving our students. I am gathering all of the information and putting my notes together and will make the announcement to the College on April 16. I would like to thank the Selection Committee for providing the College with three strong finalists.

Have a nice weekend!

Jamillah
