### Program Review Process Update

Thank you to all of you who worked hard in the fall semester to complete your Program Review submissions in alignment with our new timeline. We appreciate your flexibility and willingness to work with a new system on a much shorter timeframe. Here are a few updates on where we are now in our Program Review process.

#### *Program Review Feedback*

Due to IPC's Program Review Feedback meeting being cancelled in the fall due to the Paradise Fires, IPC has rescheduled their Program Review Feedback meeting for Friday, February 8<sup>th</sup> from 9am-11am. All are welcome to attend and breakfast will be provided. SSPC and APC have already provided their feedback which is being posted on the Program Review website.

Programs will receive their IPC Feedback Forms from their Deans via email before February 15<sup>th</sup>. All feedback forms will also be posted to the each program's [Program Review web page](#) (click on your program name in the Instructional Program Review schedule to get to your program's page).

### *Resource Request Allocation*

We are on track for the VPA to bring a funding proposal for the Program Review resource requests to PBC by April 30<sup>th</sup> as outlined in our new [Program Review timeline](#). Currently, the Deans, VPs and the President are reviewing their departments' resource requests to see what can be funded this fiscal year. Requests for resources in the next fiscal year will be considered once VPA Mendoza receives the College's revenue projections from the District in March. To see the results of PBC's resource request prioritization, please see the [Program Review website](#).

### *Program Review Presentations*

Program review presentations will take place at IPC on March 15<sup>th</sup> from 9am-11am. All are encouraged to attend and administrators will be in attendance as well. Programs who are scheduled to present include Career Courses, Digital Art & Animation, Math, Medical Assisting, Paralegal, Physics and Radiologic Technology. For more information about what to include in the presentation, please contact the [Office of Instruction](#).

### *Ongoing Program Review Process, Timeline & System Updates*

On February 6<sup>th</sup>, the Planning and Budgeting Council (PBC) adopted a revised timeline for the 2019-20 program review process. Karen Engel (PRIE), Allison Hughes (Office of Instruction), and VP Graciano Mendoza (Administrative Services) are working together to continue improving our process and will be taking these updates on the road to keep all of you in the loop. They will also be sending out a survey to collect your valuable experiences and feedback to inform how our process looks next year.

### *Program Review Questions*

If you have questions about the program review process, timeline and the new TracDat Program Review system, please email Karen Engel at [engelk@smccd.edu](mailto:engelk@smccd.edu), Allison Hughes at [hughesa@smccd.edu](mailto:hughesa@smccd.edu) or Graciano Mendoza at [mendozag@smccd.edu](mailto:mendozag@smccd.edu).

## **Community College Survey of Student Engagement**

This spring, the College will be participating in the national Community College Survey of Student Engagement (CCSSE). This allows us to gather important information from our students and benchmark ourselves against similar colleges nationwide. Faculty who teach those class sections which have been randomly selected to participate in the survey will be contacted in the coming weeks by the PRIE Office to find the best time to visit your classroom to administer the survey. Please contact [Dean Engel](#) with any questions. Thank you for your full support of and cooperation with this effort!

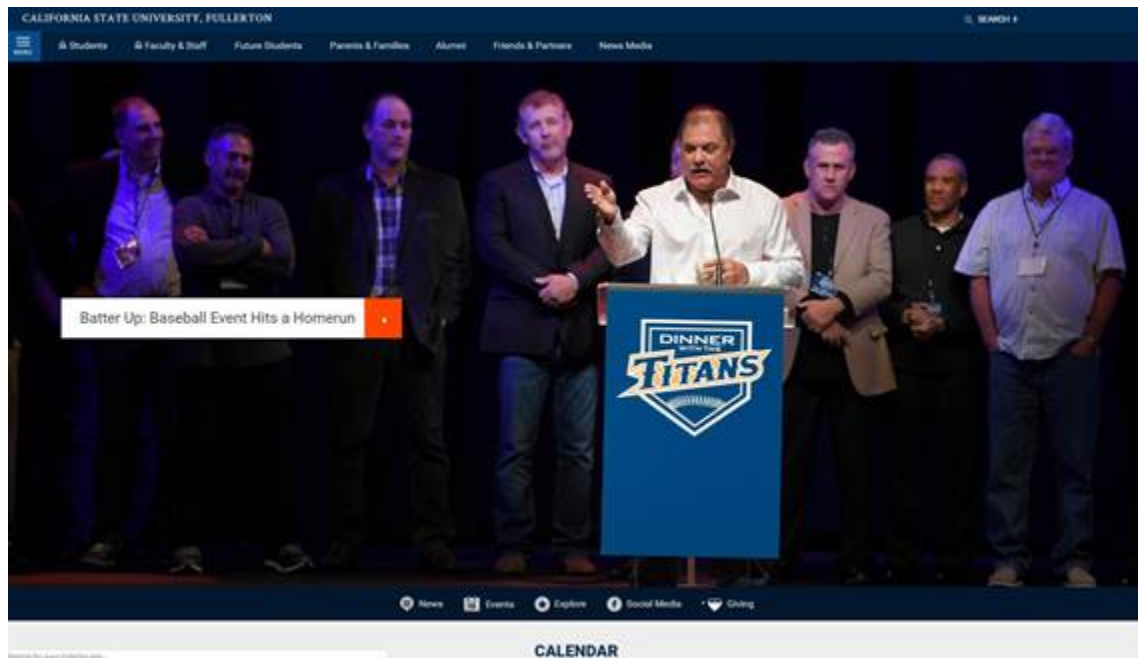

## Program Review Presentations Coming—Mark Your Calendars

All are invited to attend the Instructional Planning Council Program Review Presentations. Come support your colleagues and hear about what some of our instructional programs have been working on and what they are planning for the future. Presentations will be held on **Friday, March 15 from 9 am –12 pm in Room 2-10**. Light refreshments will be served!

## Athletic Director Speaks at Alma Mater

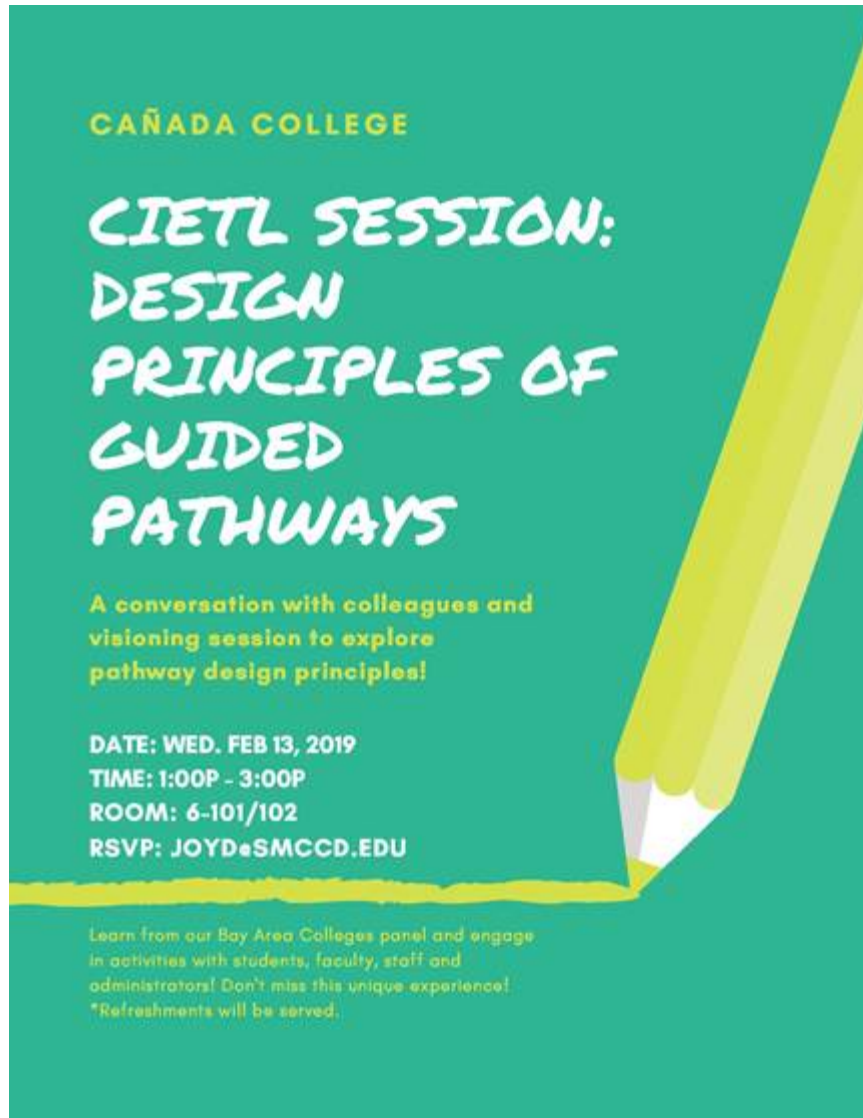

Athletic Director Mike Garcia transferred from Cañada as an all-state athlete to Cal State Fullerton, where he captained the Titans during their NCAA National Championship in 1979. Mike was recently asked to speak during the Dinner with the Titans fundraiser to celebrate their 40-year anniversary.

Read more about the event at the [CSUF News Center](#).

## Participation Requested – Guided Pathway Design Principles

The Guided Pathways team encourages all students, faculty, staff and administrators to participate in this important event on Wednesday, February 13 at 1 pm in 6-101/102. Please RSVP to [joyd@smccd.edu](mailto:joyd@smccd.edu). We look forward to seeing you at the session!

Have a wonderful weekend!

Sincerely,  
Jamillah Moore, Ed.D.  
President
