

## Weekly Update 5-24-19

### There's Still Time to Help with Commencement

Tomorrow is the big day and we are still looking for employees to assist. There are a number of opportunities to participate and help make this event a memorable one for our graduates and their families. To assist with this special event, please click the [commencement job assignment link](#) and email [Michiko "Misha" Kealoha](#) with your top three assignment choices. Staff will have the option to choose exchange time or compensation for the hours worked at Commencement. Please inform your supervisor on your choice. Cañada's 51<sup>st</sup> Commencement Ceremony will be held on Saturday, May 25 at 10 a.m. Due to on campus construction, this year's Commencement Ceremony will be taking place in the Gym at College of San Mateo. I hope you will be a part of the Cañada Commencement team and appreciate your consideration.

## **Participatory Governance Survey Closes Today!**

Is Our Participatory Governance Process Working? We need your help answering this question! Please take 2-3 minutes to respond to the PBC's participatory governance survey.

This [survey](#) is critical to our understanding what we might need to improve to ensure every stakeholder on our campus feels connected to college planning, budgeting and decision-making. Thank you for responding no later than May 24.

## **Assistance Needed for President's Luncheon Planning Committee**

Planning has begun for the 2<sup>nd</sup> Annual President's Luncheon, which will be held on October 22, 2019 at the Hiller Aviation Museum. The College seeks campus community members to join its Planning Committee. For questions or to join the committee, please contact [Megan Rodriguez Antone](#).

## **Fashion Department Hosts Annual Contest**

Our Fashion Design & Merchandising Department hosted its annual garment contest. The 31 garment entries were better than ever and we were amazed at the skills demonstrated for designing, pattern making and construction among our students. Students who chose to participate selected a package of fabric without knowing what they are getting and then make a garment out of it to fit on a department dress form. The theme for this year was the 1950's and 1960's fashions. Congratulations to student winners: 1<sup>st</sup> place – Billie Lash, 2<sup>nd</sup> place – Johanna Jay, 3<sup>rd</sup> place – Linda Imlay and 4<sup>th</sup> place – Chelsie Gho. In addition, the Department awarded 13 students each with \$1,000 scholarships.

### **Walk with Cañada College in the Redwood City Fourth of July Parade**
