

## A Message from Interim President Kim Lopez

### **Weekly Update 10-22-21**

Hello Cañada Colleagues,

We have had a busy week with a range of campus activities! We celebrated the 5<sup>th</sup> Annual Undocu-Week with a series of events aimed to celebrate achievements, answer questions and raise awareness about SMCCCD's undocumented students and most importantly, to grow and inspire our community to action! Yesterday we held a virtual community meeting to discuss Cañada's Facilities Master Plan (FMP) where our Facilities team introduced us to the process, objectives and goals of the FMP. We are in the midst of Transfer Month and I've enjoyed seeing faculty and staff proudly represent their alma maters through their Zoom backgrounds and/or sporting their favorite shirt. We will host our [Virtual Transfer Day](#) on October 26 from 11 a.m. to 2 p.m. with 65+ in-State and out-of-state universities in attendance. This is a great opportunity for students to learn about the programs and services they offer as well as establishing a network with the university representatives. This event is for all students regardless of the timeline they plan to transfer.

## Cañada Town Hall Follow Up

Thank you to everyone who attended last Friday's Cañada Town Hall. The event provided the college community with several important updates including: Presidential Search Committee and Timeline, HR, Health & Safety, Construction/Facilities, Instruction, Student Services and Marketing updates. The Town Hall was recorded and you can access the recording, as well as other resources mentioned, on the Town Hall [website](#).

## New College Event Calendar

Have you checked out Cañada's [new public event calendar](#)? We encourage you to start [submitting your events!](#) The online calendar, has been implemented at all three campuses and allows the campus community to more easily list their events for students and the public to see and find. We are especially excited for the improved user-experience this will provide for our students who are searching for Cañada College events.
