

Highlights

- The Cañada College Interior Design program was selected as a recipient of the National Kitchen & Bath Association (NKBA)'s 2025 Excellence in Education Award.
- Dr. Anthony Ocampo spoke on identity, coalition building and being queer and Filipino for AANHPI Heritage Month, hosted by the S.T.A.R. Program and Cultural Center.

- A record 10 Cañada College Honors students presented at the Bay Area Honors Symposium.
- In Spring 2025, nearly 40 students joined four university visits organized by Cañada programs, supporting transfer exploration and connections with alumni and campus resources.
- Cañada's Leading from the Middle team began designing an equity-focused professional development framework during their first convening, aiming to equip all employees with equity and anti-racism skills.

Super PEP Registration—a Success!

More than 50 faculty, staff and student ambassadors welcomed nearly 200 high school seniors at Super PEP Registration, helping them complete orientation, counseling and Fall 2025 registration. High school counselors praised the event's one-stop setup and appreciated the Disability Resource Center's presence for student support. Lunch was provided, and the event was filled with excitement as the team worked to set up incoming Cañadians for success. Super PEP continues to be a vital step in the college transition process.

Annual Middle College High School Decision Day

Middle College celebrated 65 graduates, with 21 continuing at Cañada College and others heading to four-year universities; 70% earned Dean's List honors.
