# Facebook X Community Colleges: Info Session & Networking

Join us for a virtual event made for Community College students by full time Facebookers who have attended community colleges! We are excited to share what it means to work at Facebook, advice and mentorship for you in your career journey!

## EVENT DETAILS

### Meet Facebook!

Learn about various career opportunities at Facebook. From marketing, operations, engineering, product and more, you'll understand what career paths may be a fit for you and receive some tips to succeed in your career journey!

#### Agenda

- Demystifying Tech: What careers are at a tech company?
- Panel: From Community College to Facebook
- Breakouts With Mentors
- Owning Your Career
