College Commitment to Anti-Racism

College Commitments to Anti-Racism (draft)

We are Cañada College, a community of scholars and practitioners. As a collective and as individuals we commit to:

- critically examine our behaviors and college practices for the conscious and unconscious ways in which we contribute to systemic racism;
- uplift stories and data about the impact of anti-Blackness, oppression, poverty, and racism in our communities;
- reimagine and build a community of learning and service based in anti-racism, social justice, and liberation;
- We welcome and invite these commitments as essential components of an anti-racist and socially-just community for the students we serve, the community where we work, and the world we live in.

Looking Ahead

50+ student, faculty, classified staff leaders and administrators came together for two days last week for our 2nd annual Leadership Retreat

- Developed a draft Anti-Racist Framework for the College
- Refined our top 6 strategic priorities for 2020-21
