

Colleagues,

At Wednesday's PBC meeting the attached revised EMP progress document was approved. You are receiving this email because you are listed in the document as the "Responsible Parties" and PBC has tasked you to confirm the work on the EMP continues and/or is completed for each of the objectives.

Please let your "Working Groups" know they have also been tasked with an assignment to work on specific objectives and then to report back to their specific PBC workgroups.

If you have any questions, please contact either Doug Hirzel or Debbie Joy, PBC Co-chairs.

Thank you for assisting in these critical endeavors!
