

# Resource Prioritization Guide

As divisions work to prioritize their resource requests, it is recommended to use the matrix below to guide assessments of each resource requests' priority. Divisions can find each program's submitted responses to the following areas in their program review reports which are posted to the [Administrative Program Review \(APR\)](#), [Instructional Program Review \(IPR\)](#) and [Student Services Program Review \(SSPR\)](#) websites.

	<b>Program Review or Annual Update Questions</b>	<b>College Goals &amp; Strategic Initiatives</b>	<b>College Mission</b>
<b>Location</b>	<b>Program Review or Annual Update Questions</b> Reports on the <a href="#">APR</a> , <a href="#">IPR</a> or <a href="#">SSPR</a> websites	<b>Program Goals</b> Reports on the <a href="#">APR</a> , <a href="#">IPR</a> or <a href="#">SSPR</a> websites	<b>Resource Request Questions</b> Reports on the <a href="#">APR</a> , <a href="#">IPR</a> or <a href="#">SSPR</a> websites
<b>NO</b>	Request not addressed in program review or annual update	Does not support any of the College goals or strategic initiatives	Does not align with college mission
<b>YES</b>	Request addressed in program review or annual update	Fully supports two or more of the College goals or strategic initiatives	Fully aligns with college mission
<b>If you were able to answer Yes, for all three categories above, next consider the following critical questions via a qualitative discussion.</b>			
<b>Critical Questions</b>	<b>Do the program's goals support the achievement of the College's Vision and Values?</b>	<b>Do the requested resources support closing the equity gaps identified in the Program, Division or College?</b>	<b>Do the requested resources support Latinx and Asian American, Native American, and Pacific Islander (AANAPI) student success in the Program, Division or College?</b>
