

Cañada College Radiologic Technology Program
Articulation Grid for Prerequisite Course Requirements
 Updated January 2025

Courses on this grid are approved as equivalents to the prerequisite courses required for the Cañada College Radiologic Technology Program. The Cañada College course requirements appear in bold at the top of the grid. The equivalent of the courses at other two campuses in San Mateo Community College District (SMCCD), Skyline College and College of San Mateo (CSM) are listed after Cañada College courses.

If students have taken courses at other institutions that are NOT listed in this grid, they must meet with an academic counselor to review and determine the equivalency of the courses for eligibility for the program. They may also plan to take the course(s), if needed, before applying to the Radiology Technology Program. Please note that the counselors review is preliminary.

All Students who have completed courses at an institution outside of SMCCD must submit an official copy of their transcript to the [Transcript Evaluation Services](#) to be officially reviewed and placed into their records at SMCCD for graduation purposes. In addition, all students including SMCCD students must also upload a copy of all transcript(s) including SMCCD transcript to the Radiology Technology application.

Institution	Anatomy (C-ID BIOL 110B) (Combined-115S)	Physiology (C-ID BIOL 120B) (Combined-115S)	Chemistry Any Transferrable Chemistry Course (C-ID CHEM 110/ CHEM 120S)	Statistics (C-ID MATH 110) or any Transferrable math Except Math for Liberal Arts or Teacher Education or Finance	English (C-ID ENGL 100) Any course in area: A1 on CSU GE 1A on IGETC/Cal GETC	Interpersonal Communication (C-ID COMM 130)
Cañada College (SMCCD)	BIOL 250	BIOL 260	CHEM 192 CHEM 410 CHEM 210	Stat C1000* Math 200	ENGL 100/C1000* or ENGL 105/C1000E*	COMM 130
