

# **Comprehensive Program Review (CPR) Question Revision for 2026 Cycle**

# Our Why

## Evidence-Based Responses

Incorporating both quantitative and qualitative data enhances accountability and accuracy in program evaluation.

## Transformational and Anti-Racist Leadership (TAL)

Embedding TAL principles ensures that program review questions promote equity, transparency, and systemic change.

## Streamlined and Efficient Process

Removing repetition makes the review process easier, faster, and more user-friendly.

## Improved Clarity and Utility

Logical question flow enhances clarity and supports resource planning and equity goals.

# Program Context

1. Mission: Align program with College and District mission
2. Program Description: Summarize what the program does and who it serves

Assessing Program Impact: *Show equity, access, and success for diverse students including:*

- o Student population served
- o Equity strategies and data
- o Access, retention, completion changes
- o Service delivery methods
- o Evaluation and partnerships
- o Support for HSI & AANAPISI

# Looking Back: Accomplishments and Challenges

1. Major Accomplishments: Key achievements since last review cycle
2. Impact on Equity: How accomplishments helped close opportunity gaps; include data
3. Major Challenges: Difficulties faced and their effect on equity gaps
4. Progress on Previous Goals: List goals from last cycle and progress made

# Impact of Resource Allocations Process

1. Impact of Previously Requested Resources: Describe effects of approved and unapproved requests (staff, equipment, facilities, funding)
2. Effect on Disproportionately Impacted Students: How resources or lack thereof influenced equity and student success

# SAOs and SLOs

1. State SAOs and/or SLOs: Define outcomes for this program review cycle
2. Assessment Methods: Describe how SAOs/SLOs were evaluated
3. Data Findings: Share results and insights from SAO/SLO assessments

# Looking Ahead: Goals and Program Improvement Initiatives

1. Program Goals (Next 3 Years): Strategies to address challenges and equity gaps
2. Equity & Antiracism Improvements: Actions from SAO/SLO assessments to improve access and success
3. SAO/SLO Assessment Impact: How equity and antiracism were addressed
4. Opportunities for Improvement: Plans to tackle issues identified in prior sections
5. TAL-Informed SAOs/SLOs: State outcomes for next review cycle

# *Request for Feedback*

## Action Item:

Review the provided [link](#) and give feedback. Ensure you read all questions carefully to avoid duplication.
