2020-2021 Cañada Technology Survey

Thank you for your participation in the 2020-2021 Technology Survey.

The goals of this survey are to better understand what you are all experiencing with technology on campus currently, what needs the attention of the Technology & Distance Education Advisory Committees and what technology trainings would benefit our community the most.

1. What is your role on campus?

   If you work in more than one role on campus, choose the role that represents the majority of your work time.

   ○ Staff
   ○ Full-Time Faculty
   ○ Adjunct Faculty
   ○ Administrator or Manager

2. Do the currently available technology tools, provided by the College and the District, meet your professional needs?

   ○ Yes
   ○ No

   Please elaborate on your answer in the comment box below.

   0 / 2000

3. For the 2018-2019 and 2019-2020 academic years, did the college and district offered technology trainings meet your technology training needs?

   ○ Yes
   ○ No

   Please elaborate on your answer in the comment box below.

   0 / 2000

4. From where do you get your professional technology training?

   Choose all that apply.

   ☐ Cañada Flex Day Sessions
   ☐ District-Provided Trainings (Professional Development Academy & HR Trainings)
   ☐ Cañada Canvas Workshops with the Instructional Technologist
   ☐ Cañada One-on-One Instructional Technologist Sessions
   ☐ Lynda.com
   ☐ YouTube
   ☐ Conferences
   ☐ External Training providers (i.e., @One, AcademyX)
   ☐ Colleagues
   ☐ Flex Day Sessions at Our Sister Colleges

☐ Non-Flex Day Training Sessions at Our Sister Colleges

5. What avenues have you used to give input on technology adoption and implementation on campus?

Choose all that apply.

☐ Division or Department Meetings

☐ Technology Committee Meetings

☐ Distance Education Advisory Committee (DEAC) Meetings

☐ Program Review and/or Resource Requests

☐ Personal Requests to Department/Division/ITS

☐ Survey Responses

☐ I'm not sure how to give technology input on campus.
