The universities’ selection criteria is mainly based on:

- Completion of pre-requisite courses for a major
- Completion of Math, English, Critical Thinking, and Communication courses
- Completion of General education (if applicable)
- Highest GPA
- Depends on the university: 60 to 70 transferrable units

It is important to take the first step of establishing a major, preferably during the first semester of your attendance, make a plan accordingly, and follow the steps:

1. **Select a major**
2. **Determine universities of your choice**
