CAÑADA TUTOR PROGRAM

Cañada is proud of its peer tutoring program -- students tutoring students. This year, 16 tutors offered assistance in subjects spanning the full spectrum from Basic Skills to Workforce Programs to Honors Transfer. These tutors assist students inside and outside of the classroom; some provide their assistance at other locations where we offer courses. Tutors help with content knowledge and study strategies, always seeking to build the students’ independence and self-confidence. We are proud to honor and thank the following Cañada Learning Center Tutors.

STEM Center Tutors and EPIC Leaders

The STEM Center is proud to have a team of student leaders that make up the Tutoring, Peer Mentoring and Embedded Peer Instruction Cohort (EPIC) programs. Both Tutor and EPIC Leader roles require not only content knowledge but also the desire to help their peers and grow as professionals. Peer mentors support students and connect them to resources. As a result of their efforts, students not only leave feeling better academically prepared, but also more connected to the college community.

San Mateo County Community Colleges Foundation raises funds to support student scholarships and programs at Cañada College, College of San Mateo, and Skyline College. Our donors come from all across our community — individuals, big and small businesses, civic groups, and community organizations. The joy, success, and promise you see tonight is the difference that our donors are making in our community.

This year’s donor-funded scholarships will provide financial support to help these students succeed in college, finish their degrees, and start their careers or transfer to four-year institutions. Our donors’ generosity directly contributes to Cañada College students’ ability to realize a better life for themselves and their families through the gift of higher education.

To support our students through scholarships, you can make an immediate gift online at foundation.smccd.edu/donate. For more information about establishing a scholarship at any of our colleges, please contact Executive Director Tykia Warden at 650.358.6860 or wardent@smccd.edu.
