# General Information and Eligibility Requirements

*What is UC Transfer Admission Guarantee (TAG)?*
It is a contract between students and University of California (UC) that is offered to eligible students who are seeking guaranteed admission to universities.

Transfer Admission Guarantee (TAG) will guarantee admission to students who meets the TAG criteria for the
UC TAG campus and for the major.

*How many contracts may be signed at one time?*
You may file TAG application to only one UC Campus. However, you may file admission application to several UC Campuses.

*What are the general eligibility requirements for UC TAG?*

- Have successfully completed 30 transferable units
- Complete preparatory of courses related to your major
- Have met the GPA requirement of the university of choice
- Completed 60 transferable units by the end of preceding transfer semester
    For example: If transferring in fall 2018, all required courses must have been completed by the end
    of Spring 2018.
- Some of the UC campuses are required students to be a full-time student at a community college.
- Some UC campuses are required students to complete transfer level math and English by the end of summer
    or during fall term before completing the TAG. (See each campus TAG website on previous page for detailed requirements).

**<span style="color:red">TAG may not apply to all programs</span>**

*How do I know what courses are required for my major and what is transferrable?*
Please meet with your academic counselor to discuss the course path and to develop a Student Educational Plan by:
- Identifying the Courses needed for your major
- Exploring how to apply the results of AP exams (if any)
- Exploring TAG and its requirements to strategize your TAG option

Please bring a copy of your transcripts from all colleges attended and the results of AP exams, (if there is any) to your counseling appointment.

For transferability of courses to CSU and UC campuses go to *www.assist.org*. You may visit the Web site of the private universities to find the transferability of courses under the "articulation agreements".

*What is my Transfer GPA?* Total Transfer points/Total completed Transfer units = Transfer GPA
Please see your counselor or meet with the Transfer program Supervisor/Counselor. GPA calculator is available at the Transfer Center WEB page.

*Where can I find the Transfer agreement forms?*
The Transfer Agreement information is available at the Transfer Center. The UC TAG application is available at:
    http://admission.universityofcalifornia.edu/transfer/guarantee/index.html.

It is strongly recommended to create an account with UC campuses through the Transfer Admission Planner (TAP), http://admission.universityofcalifornia.edu/transfer/transfer-admission-planner/index.html, during first term of your attendance at Cañada College. This will allow UC campuses to provide you information about changes in the programs, opportunities at UC campuses, advising, and allow you to be entering your courses for TAG and UC application.

---

**Instructions:**

1. Meet with Transfer counselor to discuss your major and your eligibility, including course transferability, and transfer GPA.
2. Create an account in Transfer Admission Planner for UC TAG
3. Complete a TAG form.
4. Meet with the Transfer Center Supervisor at the Transfer Center to finalize your contract before submitting it in September (1-30)

**<span style="color:red">Note:</span>** TAG does not apply to impacted and selective majors
