5. Started with a CANVAS shell. Are faculty getting information. Have the newsletters, have the CANVAS page. How to communicate more widely. Mary/Ariela will send an email to Max and he will send to the deans to send to faculty.

8. NDNU is complete. Data sharing with CSU East Bay. Case management was written into East Bay and SFSU, have not implemented that yet. UC will be data sharing in November. (Ariela and Mary)
