The universities’ selection criteria is mainly based on:

- Completion of pre-requisite courses for a major
- Completion of ● Math, English, ● Critical Thinking, and ● Communication courses
- Completion of General education (if applicable)
- Competitive GPA
- Complete required transferrable units - 60 to 70 transferrable units for CSU and UC

It is important to take the first step of establishing a major, preferably during the first semester of your attendance, make a plan accordingly, and follow the steps:

1. **Select a Major**
   - Personal Interest and value Inventory
   - Career choices

2. **Select universities of your choice**
   - Attend Workshops college Fair, any informational events
   - Meet with your Counselor
   - Location Cost/Plan for funding it
   - Size Programs

3. **Complete an SEP with a Counselor**
   - Meet with a counselor
   - Map your course requirements
   - Prepare yourself for the Universities of your choice

4. **Plan beyond Academic Courses**
   - Pre-requisite courses
   - Course Evaluations
   - Course Substitution petition

5. **Get Ready! Prepare the required documents and apply by the deadline**
   - Transcripts
   - AP Scores
   - SAT/ACT (if applies)
   - Supplemental application
   - Personal statement
   - Recommendation letters

6. **Follow up**
   - Apply on-line by the deadline
   - Apply for FAFSA

7. **Enroll at the university of your choice**
   - Attend the Orientation
   - Take the necessary exam
   - Register for classes
   - Meet with a counselor to plan your graduation

8. **Check your emails**
   - Turn in the documents requested by the deadline
